Why Select Coffetek?

Coffetek has more than 30 years experience in the design and manufacture of beverage dispense systems. Our products have been successfully exported throughout Europe and as far afield as the Far East and Australasia. In the UK we have built an enviable reputation for equipment simplicity and reliability achieved through exploiting our experience in product design and innovation. Coffetek is a member of the Azkoyen Group of companies, with origins dating back to 1945 Azkoyen specialise in the design and manufacture of a complete range of merchandising systems. With this combined expertise & resource we are able to offer one of the most comprehensive refreshment solutions in the world.

ZEN

Zen from Coffetek brings you a full range of coffee shop style drinks in a compact 480 x 590mm footprint. Finished in stunning ebony gloss Zen will compliment any environment.

Available in two configurations – single fresh brew tea or espresso with leaf tea, Zen provides a complete range of high quality beverages. Whether you want the true taste of espresso, a relaxing moment with your coffee shop favourite, freshly brewed leaf tea or something a little more indulgent, Zen has it all to offer.

Want that extra kick? Select the extra shot button to enhance your drink even further.

Zen has a fully automatic cup dispense system offering various cup sizes, even 12oz take away cups.

In-Touch User Interface

Incorporating patented technology the selection system on the Zen range provides a simple icon driven user interface, making it simple to select the required drink - touch & go.

Zen Environmental Benefits

Zen from Coffetek features an advanced economy feature, saving up to 35% in energy consumption; during periods of inactivity the water boiler runs at a lower temperature to conserve electricity. It is also possible to set a complete shut down for a given time period.

- Cup sensor allows use of own cup reducing plastic and paper cup usage
- LED Lighting
- Paperless brewing system, no paper waste

GREEN CREDENTIALS

- A+ Energy rated
